

D.Med Healthcare is a global medical service and product provider with the focus on renal and diabetes care. As an exceptionally dynamic company, we are continuously endeavoring to tap into new markets and related business fields. With more than 1000 employees and a growing platform of operations in more than 20 countries, we reach out to the world teaming up with local partners and stakeholders to create value for local health systems. Over 5,000 patients from different countries in Europe, Asia, and Africa receive renal replacement treatments in our clinics enjoying the state-of-the-art medical quality and devoted care.

For our HQ in Düsseldorf and at the earliest possible date we are looking for a

Working student Graphic Design (m/f/d)

This role gives you, as a highly dynamic personality thinking outside the box, the opportunity to take part in the further development of the D.Med Healthcare Group.

Your tasks

- Conceptual development and implementation of contents for print and digital media such as brochures, flyers and our quarterly newsletter taking into account our corporate design
- Creation and updating of graphics and content in online channels (social media, website etc.)
- Research, selection and editing of web, print and social media-specific images
- Timely planning of seasonal advertising material
- Supporting the implementation of our social media strategy and managing social media channels
- Direct collaboration with our marketing team

Your profile

- Studies in graphic design / business administration or similar (bachelor or master)
- Ideally work experience in a similar position
- Graphic design skills (Adobe programmes like Photoshop, Illustrator, InDesign etc)
- Excellent written and verbal English skills
- Experience in social media / digital marketing
- First experience in marketing or product management is desired
- High self-motivation
- Positive, open and dynamic person who would like to gain experience in an international company

Our offer to you

- An opportunity to participate in our expanding company group and make a difference besides your studies
- Collaboration with an experienced and dynamic team from all over the world
- Possible full-time position after completion of your studies
- Flexible working hours and proportional holiday entitlement
- Personal benefits such as company pension plans, parking spaces, employee events and free drinks

Do you see this job offer as a personal challenge? Then convince us with your application, including your earliest starting date by emailing Anne-Kathrin Deters (application@dmed-healthcare.com) or just click on "Apply for job".

We are looking forward to meeting you!

Personally & Professionally
